

Dancers Give Back (DGB) is a 501(c)(3) non-profit organization dedicated to funding and facilitating ground-breaking cancer research and local patient support. DGB was founded in memory of our dear friend, Jacquie Hirsch, who passed at the age of 23 from Acute Lymphocytic Leukemia.

With generous support from our neighborhood businesses and the caring WNY dance community, we have been able to raise more than **\$800,000** in Buffalo alone. Our fundraising events, performances, and dance workshops combined with the local “Be the Match” program, have directly contributed to saving **26+ lives**.

Although we are extremely proud of our successes, there is still much work to do, to continue making a difference. **We are grateful for the generous support you gave last year, and we hope you can once again help us.**

Attached, please find a Corporate Sponsorship Level breakdown, along with information about our organization, as well as Jacquie’s story. If a Corporate Sponsorship is not feasible at this time, we understand, and we hope that you can contribute silent auction items, raffle baskets, specialty or signature goods from your company, or gift certificates. **No donation is too small!**

We appreciate your support as we celebrate our 14th year dedicated to one day finding a cure to this devastating disease.

Fondly and working toward a cure, your friends at
